

EMOTIONAL HEALTH & WELLBEING SERVICE FOR SEXUAL HEALTH EDUCATION

in schools and colleges, workplaces, communities

Our Emotional Health and Wellbeing service deliver all aspects of Sexual Health and Relationship Education which can be linked to AQA Unit Awards.

What can we offer?

- Support Children and Young People to be confident in relationship choices and know the difference between healthy and unhealthy relationships.
- Deliver workshops for staff and young people to raise awareness of Child Sexual Exploitation (CSE).
- Education workshops on contraception and sexually transmitted infections with further signposting for help and advice.
- Raising awareness of drug and alcohol misuse and risk taking behaviors.

CANW have been working therapeutically with children and young people across Lancashire. We are an established provider of mental health services and have a team of professional, experienced and accredited practitioners.
