

Start fundraising with **JustGiving**™

To set up a shared page, just follow these steps:

- Log in to your JustGiving account, if you don't have an account you'll be prompted to set one up.
- Click on 'Start Fundraising' at the top of the
- page and search for 'Child Action Northwest'
- campaign 'StepUp Challenge'.
- Let us know what you're doing to raise
- money. Walking? Running? Cycling? Bake Sale? Carwash?
- Choose your JustGiving web address – this is the link that the whole team will be sharing with friends and family for them to donate to the page. It's best for your web address to include your team name.
- Click 'Create your page'.
- You may also want to update the name in the account to reflect your team name. You can do this by logging in, clicking on your name in the top right hand corner of the page and selecting 'Your Details'. Edit your name to update the 'Page owner', as well as sharing the team name when the page is shared on Facebook.
